

Dear Parents/Guardians,

Last Thursday a presentation was made by a small group of S4's who attend Army Cadets in Aviemore. The presentation was to show the younger age about Army cadets and what Army Cadets is all about. We would like to inform you on several things; Army cadets is not under any circumstances trying to force your child into joining the Army or any Royal Force for that matter. Army cadets is a great way to learn discipline, respect and can have amazing opportunities such as representing your county or country in a sport or a skill you have developed in cadets, and of course to meet new friends. We would love to increase the size of our Platoon as we now have a brand new joint cadet hall with Air cadets on Dalfaber Drive, Aviemore. The detachment is a part of 1 Highlanders Army Cadet Force, Inverness Company and we have a weekly meetup at the hall from 7:30pm to 9:30pm on a Tuesday night. As it is getting closer to Christmas we understand if you cannot attend the detachment nights but hope to see your children in the New Year. We would recommend if your child would like to attend bring money for our NAAFI break (Navy, Army, Air Force institution) around £1-£2 for snacks. If you have any questions please do not hesitate to ask one of our instructors or cadets attending Grantown Grammar School (Erinne Bird, Jake Smith, Kara Pirie, Dominique Barth, Lyall Kinnaird and Lewis Booth).

Many thanks

Aviemore Army cadets
