Dear Parent / Guardian

E-Safety and Digital Learning Information Evening Wednesday 16 January 6.30pm

Grantown Grammar School will be holding an E-Safety and Digital Learning Information evening on Wednesday 16 January at 6.30pm. It will last approximately 1 hour and be followed by a very brief Parent Forum / Parent Council meeting which should last no more than 30 minutes.

Parents and guardians of pupils from all schools in the area are invited to attend including Grantown Primary, Deshar Primary, Carrbridge Primary and Abernethy Primary School together with parents and guardians of Grantown Grammar School. The evening has been planned by all five schools and Tom Magowan (Depute) will do a presentation on E-Safety especially in relation to Chromebooks. He will also talk about the impact of chromebooks on digital learning in our schools. There will be an opportunity for questions and refreshments will be served.

The arrival of chromebooks in our schools before Christmas was very exciting but I know that a lot of parents and guardians have questions, which hopefully we can answer on Wednesday.

If you have any queries regarding this evening please do not hesitate to contact the school.

Yours faithfully

Claire McGonigal
