Senior Phase continued

- SQA - Please don't worry too much about exams or assessments. The whole of Scotland is in the same boat! The Assessment Window is being reviewed and postponed. Mr Ross is working with other SQA coordinators and will have more information for you when it is available. You will get the qualifications you are working towards.
- Remember you can email your Guidance teacher or Mrs McGonigal at any time if you are worried, anxious or have a question. We are here to help!

Finally...

Remember:

- You are not in this alone - we are one community and we stand together.
- We've done this before, we got through it then and we will again.
- Take time to go outside, breathe and enjoy the beautiful area we live in.
- Nobody knows what tomorrow will bring but we can all know what will make it better: being kind, smiling and doing our best.
- It's always darkest just before dawn and right now, although it may not seem like it, the days are getting longer and brighter.
