

Welcome to **Grantown Grammar School Parent Forum**
From Grantown Grammar School Parent Council!

Our Background

As a parent or carer you are automatically part of the Parent Forum and the Parent Council is a registered charity with its objectives

- *To work in partnership with the school to create a welcoming school which is inclusive for all parents and guardians*
- *To promote partnership between the school, its pupils and all parents and guardians.*
- *To develop and engage in activities which support the education and welfare of the pupils.*
- *To identify and represent the views of parents and guardians on the education provided by the school and other matters affecting the education and welfare of the pupils.*

Parent Council members(trustees) are appointed annually at each AGM (usually in November) although you are always welcome to attend meetings and request to be co-opted. We meet at least quarterly with the Headteacher to work towards these objectives.

Our Intentions

Together we want to:

- build our connection to the school and support a positive experience for students and the teaching body;
- improve facilities;
- be a mediator and advocate for parents;
- improve and support extra-curricular opportunities;
- get involved in local community initiatives;
- access funds to create new opportunities for the school and the students ;
- support and fund school events for the students;
- and many more positive and proactive activities.

We are always listening and here to help and drive action.

Remember, as a parent you are not alone. Parent Council is here to support you!

You can find us

By email grantown.grammar@highlandpc.co.uk.

On our Facebook page

Via the school direct or it's website

Or in person!- Each of our members are very approachable for a quick chat and support when needed. A list of members will be posted after the first meeting.

News and Activities will be posted with a quarterly newsletter.

Please find attached the previous newsletter and draft minutes of our last meeting. Next meeting is **7th September virtually**. Please contact us as above if you wish to join us as a member of the Parent Forum to see what we are all about!!.

Thank You!!
