

# LOOKING FOR A NEW VIEW IN YOUR CAREER

Do you have the desire, drive and perseverance?

Love of the outdoors and nature - Putting up with blue skies, sunny days, windy days, cold days, snowy days, wet days, warm days, (sometimes all on the same day!)- Spectacular views from the office window and outside working environment - Willing to learn about looking after a unique mountain environment - Plenty of exercise but that comes as standard - Willingness to help the general public enjoy their day - Learn all about the flora and the fauna that makes the Cairngorms National Park so special - Working in one of the 5 ski areas in Scotland - Enjoy working in the outdoors.

We are looking for an individual to join our ranger service team as a modern apprentice at Cairngorm Mountain. If you think **YOU** are the one, please get in touch with [john.swinden@cairngormmountain.co.uk](mailto:john.swinden@cairngormmountain.co.uk)
